PROFESSIONAL EXPERIENCE

Senior Vice President of HR Transformation | Summit Global Logistics | 2021 – Present

Denver, CO (Leading Global Supply Chain & Logistics Provider | Revenue: \$9.4B)

Strategic Mandate & Executive Oversight: Appointed by the CEO to lead the comprehensive modernization of the global HR function for 18,000 employees across 22 countries. Responsible for a \$160M HR budget and the supervision of a 120-person HR organization. Direct the strategy for talent acquisition, total rewards, labor relations, and HR technology.

Key Measurable Achievements:

- **Global HRIS Unification:** Orchestrated the 30-month migration from 14 legacy payroll and HR systems to a single global instance of Workday. Achieved a "Single Source of Truth" for people data, reducing manual data entry by 85% and saving \$6.5M in annual licensing fees.
- **Strategic Talent Re-Architecture:** Redesigned the global talent acquisition strategy, implementing an AI-driven sourcing hub and centralized recruitment marketing. Reduced Time-to-Hire by 42% and improved quality-of-hire metrics by 28% based on first-year performance reviews.
- **Retention & Engagement Transformation:** Launched the "Summit Peak" engagement initiative, focusing on career pathing and mental health. Improved Year-over-Year (YoY) employee engagement scores by 35% and reduced voluntary attrition in high-demand roles by 18%.
- **Pay Equity & Transparency:** Led a comprehensive global pay equity audit using regression analysis to identify and remediate gender and ethnic pay gaps. Achieved 99.8% pay parity across the organization within 18 months.
- **Executive Succession Planning:** Developed a robust succession framework for the top 150 leadership roles, identifying 2 "ready-now" internal candidates for 80% of key positions. Resulted in a 50% increase in internal promotion rates for executive roles.
- **ESG & DEI Leadership:** Integrated DEI metrics into executive compensation triggers. Successfully increased representation of women in Director+ roles from 22% to 38% in three years.
- **M&A Integration Lead:** Directed the HR due diligence and cultural integration for the \$2.1B

acquisition of *Trans-Euro Freight*. Retained 95% of critical talent during the first 12 months post-acquisition.

Director of Talent & Organizational Development | Meridian Health Systems | 2017 – 2021

Dallas, TX (Integrated Healthcare Network | 12,000 Employees)

Operational Leadership: Served as the strategic head of Talent Management, Learning, and OD for a complex healthcare system during a period of rapid expansion and the subsequent COVID-19 crisis.

Key Measurable Achievements:

- **Crisis Workforce Strategy:** Developed and executed the emergency clinical staffing strategy during the pandemic, including the rapid onboarding of 1,200 travel nurses and the implementation of a 24/7 internal crisis support center.
- **Digital Learning Transformation:** Replaced traditional classroom training with a mobile-first Digital Learning Ecosystem (LXP). Achieved a 94% adoption rate and reduced training costs per employee by 55% while increasing compliance certifications by 20%.
- **Leadership Pipeline Development:** Architected the "Future-Ready Leader" program, a 12-month intensive development track for high-potential managers. 40% of participants achieved promotion within 12 months of graduation.
- **Culture Integration:** Led the cultural integration efforts for 4 hospital acquisitions. Standardized performance management and values-based behaviors across the network, reducing post-merger cultural friction by 60% according to Pulse surveys.
- **Performance Management Redesign:** Eliminated annual performance reviews in favor of a "Continuous Feedback" model via a mobile app. Increased manager-employee touchpoints by 300% and improved perceived fairness of ratings by 45%.

Senior HR Business Partner (Strategic Lead) | Vertex Industrial | 2014 – 2017

Chicago, IL (Precision Manufacturing & Engineering)

Role Overview: Strategic partner to the Executive VP of Engineering and the Chief Operating Officer. Focused on workforce planning for specialized engineering talent and labor relations within unionized manufacturing facilities.

Key Measurable Achievements:

- **Engineering Talent Sourcing:** Designed a "niche talent" pipeline for specialized aerospace engineers, reducing reliance on external agencies and saving \$2.2M in placement fees annually.
- **Labor Relations Optimization:** Acted as a key negotiator for a multi-year collective bargaining agreement (CBA) covering 2,500 unionized employees. Negotiated productivity-linked wage increases that were approved with a 92% "Yes" vote.
- **Process Automation:** Automated the "Change of Status" workflow using ServiceNow, reducing the cycle time for promotions and transfers from 15 days to 2 days.
- **Safety Culture Transformation:** Partnered with EHS to launch a "Behavior-Based Safety" HR initiative, resulting in a 40% reduction in OSHA-recordable incidents over 2 years.

Human Resources Manager | CloudArc Tech | 2012 – 2014

Austin, TX (SaaS Startup during Hyper-growth)

Key Measurable Achievements:

- **Hyper-growth Scaling:** Scaled the organization from 80 to 450 employees in 18 months while maintaining a Glassdoor rating of 4.6/5.0.
- **Benefits Re-architecture:** Designed and implemented the first comprehensive benefits package, including 100% employer-paid healthcare and unlimited PTO, resulting in a 30% increase in offer acceptance rates.
- **Employee Onboarding:** Built a "Day 1 to Day 90" immersive onboarding experience that decreased "time to productivity" for new hires by 3 weeks.

KEY PROJECTS PORTFOLIO

Project Phoenix: The Unified Global HRIS Migration

Role: Executive Project Sponsor | **Investment:** \$12M | **Duration:** 24 Months

- **Objective:** Consolidate 14 fragmented HR systems into a single global Workday platform to enable data-driven decision making.
- **Strategy:** Utilized a "Champion" model, training 50 local HR leaders to act as regional change agents. Implemented standardized global processes while allowing for local legal variations.
- **Outcome:** Achieved 100% data accuracy for the first time in corporate history. Reduced HR administrative overhead by 22% and enabled real-time global workforce analytics.

Project Horizon: The Skills-Based Organization Pivot

Role: Strategy Lead | **Objective:** Shift the organization from "Job Titles" to "Skill Sets."

- **Strategy:** Mapped 2,500 distinct skills to 18,000 employees using an AI-powered skills ontology. Integrated this data into the internal job marketplace.
- **Outcome:** Increased internal mobility by 55%. Identified critical "skill gaps" in data science,

allowing for a targeted upskilling program that saved \$8M in external hiring costs.

LEADERSHIP & TEAM MANAGEMENT

- **Mentorship & Growth:** Established the "HR Leadership Academy," a formal development track for high-potential HRGPs. Over 15 mentees have achieved Director-level roles under my guidance.
- **Global HR Ops:** Managed multi-lingual teams across 4 time zones. Championed a "Follow the Sun" HR service model that provided 24/7 support to employees globally.
- **Strategic Board Advising:** Regularly present People Strategy, Executive Compensation, and ESG progress to the Board's Compensation Committee.
- **Change Management Mastery:** Certified Prosci Change Manager; expert in the ADKAR model, applied to global software rollouts and M&A integrations.

PROCESS IMPROVEMENTS & AUTOMATION

- **RPA in Payroll:** Implemented "Blue Prism" bots to handle manual data verification for payroll processing. Eliminated 98% of human error and reduced payroll processing time from 4 days to 6 hours.
- **AI Chatbot for HR Service Delivery:** Deployed "Summit-Bot," an AI-driven HR assistant that handles 70% of Tier 1 employee inquiries (benefits, policy, payroll basics). Resulted in a 40% increase in HRBP capacity.
- **Automated Offboarding:** Integrated the HRIS with IT and Facilities systems to automate the offboarding of employees, ensuring 100% return rate of assets and immediate revocation of system access.
- **Digital Signature Standardization:** Implemented DocuSign for all offer letters and employment contracts globally, reducing the "Offer-to-Signed" cycle from 7 days to 4 hours.
